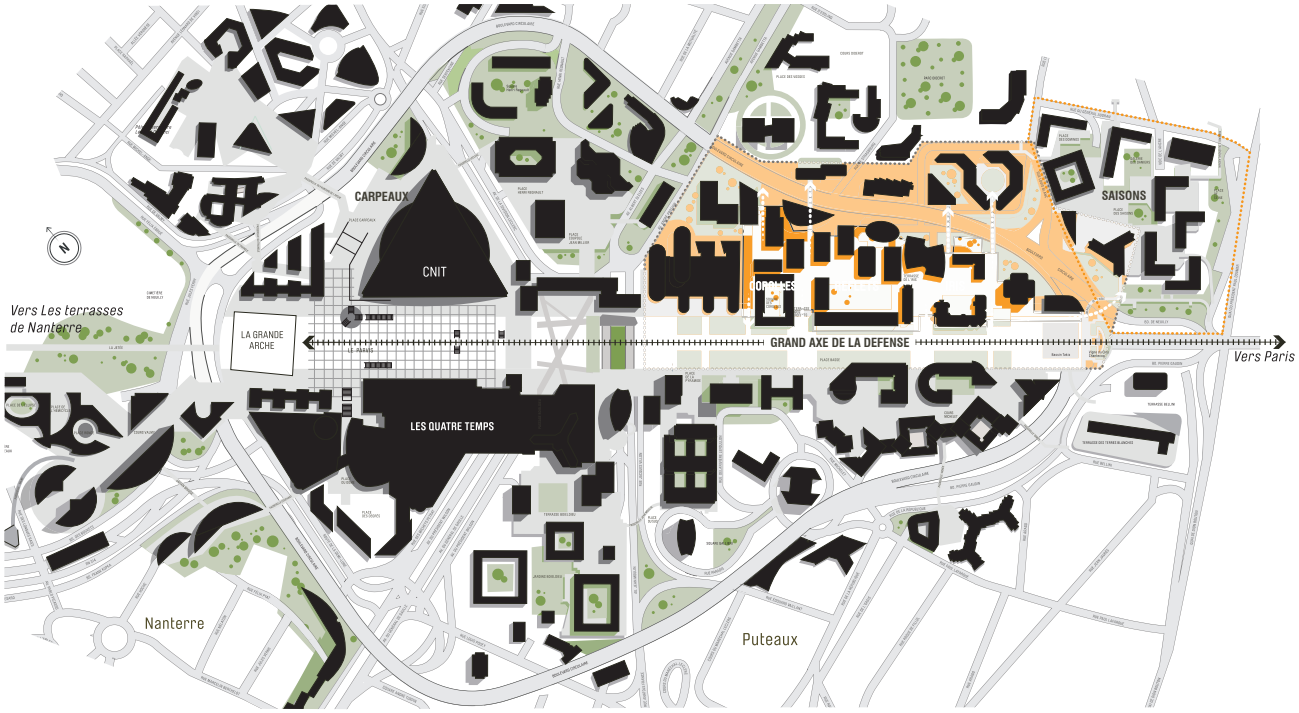
TOWN PLANNING - URBAN DESIGN

COURBEVOIE, LA DÉFENSE (92), FRANCE

MASTERPLAN FOR COROLLES, REFLETS & IRIS DISTRICTS

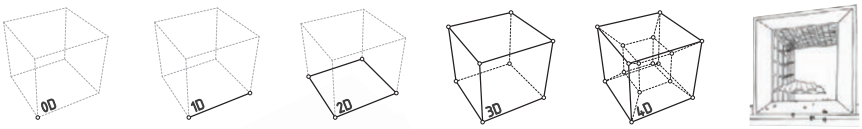


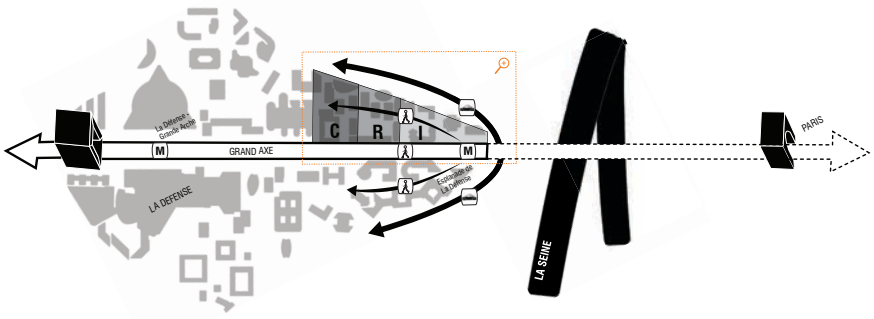
PROJECT DETAILS

PROJECT DEVELOPMENT FOR THE PUBLIC SPACE MASTERPLAN

Based on the dynamics of a renewal plan, the project is proposing a unified and coherent design of public spaces by increasing the value and modernizing the image of the internationally known business district.

The framework agreement for the architectural and urban development includes several local projects and public consultation meetings with the inhabitants and occupants.





Urban composition et interpretation of CRI
